

# ADULT INFO SHEET AND BOOKING FORM

Dear Leader,

As you may or may not be aware, for our lumos weekends, we ask that parish or school groups of between 5-10 young people are accompanied by an adult, we then ask that if more than 10 are coming then an extra adult attends.

Meanwhile, we are also keen to provide a useful experience for attending adults over the course of the weekend, and will be hosting an adult programme to run alongside the youth activities. We know from previous experience that attending adults have really appreciated the chance to come away alongside their young people, to share in the 'lumos' experience, and also to meet other youth leaders from around the diocese. Please be assured that you won't be asked to run all sorts of activities, or even to necessarily attend everything, but you will be asked to generally keep an eye on your particular group of attendees.

Recognising our thanks to you in helping the overall weekend run smoothly, we are subsidizing the adult places on the weekend, and asking for a contribution of £60 per attending adult. If there are problems in raising this money, please let us know, and we will work out how to cover your costs adequately.

We hope that these arrangements don't pose a problem for you, but if there is a situation that you feel we should be aware of, and take into account, please don't hesitate to speak to Neil directly at the youth office.

God Bless,

Neil Roseman  
Diocesan Youth worker for Discipleship
